

ARTICLE 13 – OVERTIME AND CALLBACK

- 13.2 Overtime Computation. Overtime shall be compensated at the rate of one and one-half times the employee's regular rate of pay for all hours worked beyond forty (40) in a work week. For purposes of calculating overtime eligibility, all hours spent performing assigned duties, holidays, and personal leave/holiday, and annual leave will be considered hours worked. All other leave with pay during the employee's regular work schedule is not considered time worked.
- 13.3 Overtime Authorization. Employees may not work overtime unless authorized by the employee's supervisor.
- 13.4 Overtime Eligibility. Eligibility to receive overtime pay will be determined in accordance with the Federal Department of Labor Fair Labor Standards Act (FLSA) and Washington State wage and hour statutes.
- 13.5 Call Back Pay. When an employee has left the institution grounds and is called to return to work outside of regularly scheduled hours and not contiguous with their regular work shift, he/she shall receive a minimum of two (2) hours callback pay at the employee's regular non-overtime hourly rate of pay. The minimum of two (2) hours of pay and any hours worked in excess of two (2) hours will be compensated in accordance with Article 44. An employee on standby status called to return to the work station does not qualify for call back pay.
- 13.6 Overtime-eligible employees receive cash payments for overtime. However, at the employee's request, an employing official may approve compensatory time off in lieu of pay. Compensatory time in lieu of cash overtime pay will be awarded at the same rate.

Overtime pay and compensatory time may be paid or granted when an employee's total time worked exceeds forty (40) hours in a workweek. Overtime compensation is not granted or paid for work that exceeds the employee's regular work day but does not cause the total hours worked in the workweek to exceed forty (40) hours. **EXCEPTION:** Overtime compensation is granted or paid to full-time overtime eligible employees who are assigned to work on scheduled days off and paid holidays, regardless of whether or not the total hours worked in the workweek exceeds forty (40) hours.

Overtime compensation includes shift differentials, hazardous conditions pay, and other pay in accordance with the FLSA.

The employee indicates the hours worked on his/her Time Report.

- 13.7 Part-Time. For overtime-eligible part-time employees, work in excess of the regular part-time schedule up to forty (40) hours in one workweek is compensated as straight time and may not be accrued as compensatory time.

Time worked in excess of forty (40) hours in a workweek is compensated at time and one-half and may be approved for compensatory time.

13.8 Maximum Accumulation. The accumulation of unused compensatory time at WSU may not exceed two hundred forty (240) hours. Any additional overtime must be paid in cash. (WAC 357-28-285)

13.9.1 Exceptions. An appointing authority may authorize exceptions to the above end-of-biennium cash out requirement. The appointing authority indicates a specific date by which the compensatory time must be liquidated by the individual requesting the exception. This date must be within four (4) months of the end of the biennium. The appointing authority documents the exception in writing and attaches it to the employee's June Time Report or Leave Report.

If the individual does not use the compensatory time by the end of the extension, the compensatory time so extended must be paid in cash within thirty (30) days of the end of the extended period.

ARTICLE 14 – EMERGENCY CLOSURE/ SUSPENDED OPERATIONS

The employee must receive supervisory approval prior to working the additional time, however; approval will not be denied absent a legitimate business reason, which will be provided to the employee in writing. Employees have ninety (90) days after operations resume to make up the amount of pay lost. The supervisor schedules extra hours at times most convenient for the work of the department and, whenever possible, most convenient for the employee.

15.6.3 Use of Personal Holiday. Personal Holidays may not be carried over into the next calendar year, however, if the selected personal holiday was denied due to the University's operations, the employee may use the personal holiday within the first sixty (60) days of the next calendar year.

The University may require documentation or verification of jury service. Employees must notify their supervisors upon receipt of a subpoena for jury or witness duty, keep their supervisors apprised of the schedule for their jury or witness duties, and report to work when the court schedule permits. Employees assigned to work an evening or night shift will be reassigned to a day shift for the duration of the jury or witness service. Employees may retain any payments received for attendance or travel/meal expenses incurred as a result of jury service or appearance as a witness.
- 22.4 Employees will be provided paid leave in order to take state examinations, participate in the Employee Assistance Program, and for all other reasons set forth in WAC 357-31-325.

ARTICLE 23 – VACANCIES AND POSITION ALLOCATIONS

- 23.1 Vacancies. The University will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification. The University can fill a position on a full time or part time basis. Except for vacancies being filled from a layoff list, reassignment or Reasonable Accommodation, the University will post a vacancy
- 23.2 Posting of Vacant Positions. Vacant positions will be posted for a minimum period of at least five (5) business days.
- 23.2.1 Except as outlined in 23.2.3, the University will first consider qualified bargaining unit employees on the appropriate internal layoff list who have the required skills and abilities to perform the duties of the position. In the event the position is not filled with a candidate from the internal layoff list, the University will consider candidates in the job classification being recruited for from the internal transfer list, or those employees who are requesting a voluntary demotion, who have the skills and abilities to perform the duties of the position being filled.
- 23.2.2 If no candidate is selected, the University will consider all other candidates, including employees who are requesting a promotion and external candidates
- 23.2.3 For Bargaining Unit 16 Only. For vacancies to be filled within the unit, the senior qualified candidate requesting a transfer will be appointed to the position. For promotional opportunities within the unit, the senior qualified candidate will be appointed to the position unless a junior candidate possesses substantially greater ability, job performance and applicable qualifications. Seniority for the purpose of this process will be counted from the Employee Continuous Service Date. Should no internal Bargaining Unit 16 candidate request a transfer or promotion at the time of the vacancy, all other provisions in this Article related to filling a vacancy apply.
- 23.2.4 Candidates applying for a vacant position will be required to submit sufficient documentation to allow the University to determine their qualifications for the position sought.

Such employees will receive a percentage of the full-time benefits (annual leave, sick leave, personal holiday, holidays, etc.) based on the percentage their monthly schedule bears to full-time employment.
- 24.3 Cyclic Appointments. Cyclic leave positions are defined as less than twelve (12) month appointments due to known budgetary restraints or known recurring periods in the academic calendar when the position is not needed.
- 24.3.1 Cyclic Year Schedules. At least fifteen (15) days before the start of each annual cycle, a cyclic schedule shall be established. Incumbents of cyclic year positions will be informed in writing of their scheduled periods of leave without pay in the ensuing annual cycle. Such leave without pay shall not constitute a break in service and shall not be deducted from the employees' length of service in granting periodic increments nor in computing the employees' vacation leave accrual rate.
- 24.3.2 Additional Work for Cyclic Employees. When additional work is required of a cyclic year position during a period for which the position was scheduled for leave without pay, the temporary work will be offered to the incumbent first, then to available bargaining unit members by seniority who have the knowledge, skills, and abilities to perform the work.

Should temporary/hourly employees be hired during the term of this Agreement, who meet the above criteria, the University agrees, if requested by the Union, to reopen

this Agreement to discuss the applicable terms of the Agreement, including wages, that may apply to them. Until agreement has been reached, the parties agree temporary/hourly employees will be governed by the temporary/hourly conditions as provided in applicable University Policies and Procedures.

24.5.1 Temporary appointments will not be used by the University to circumvent appropriate hiring procedures.

24.6 Temporary Upgrades. The University may assign to an employee duties from a higher job classification for a period not to exceed six (6) months. For the duration of such a temporary assignment, the employee shall receive additional compensation equal to the pay range of the higher classification.

24.7 Reallocation. For the duration of the 2015-2017 Agreement, the University agrees not to initiate a position review which results in a reallocation of bargaining Unit 16 employees working in classified positions covered by this agreement on April 11, 2011 to a classification with a lower salary range maximum.

ARTICLE 25 – PROBATION AND TRIAL SERVICE

25.1 Probationary Period. Following an employee's initial appointment into a permanent position, the employee will serve a probationary period of six (6) months. This period is to allow the University the opportunity to observe and assess the employee's work and to train and aid the employee in adjusting to the position in order to determine if the employee will be granted permanent status in the position.

25.1.1 The University reserves the right to separate any probationary employee from employment or terminate the probationary appointment at any time within the probationary period without cause with three (3) work days' notice for any reason that does not conflict with the law or public policy. The date of notice shall be considered day one of the notice. Such separations shall not be grievable.

25.1.2 The University may discipline or discharge a probationary employee at any time during the probationary period. Disciplinary action must be for cause, and may be challenged through the grievance procedure.

25.1.3 The University may extend the employee's probationary period on a day-for-day basis for any day(s) that the employee is on sick leave, leave without pay or shared leave, except for leave taken for military service.

25.1.4 An employee who transfers or is promoted prior to completing his or her initial probationary period will serve a new probationary period. The length of the new probationary period will be six (6) months, unless adjusted by the appointing authority for time already served in probationary status. In no case, however, will the total probationary period be less than six (6) months.

25.2 Trial Service Period

25.2.1 Employees with permanent status in a bargaining unit position who promote or voluntarily demote to a job classification within the bargaining unit in which they have not previously attained permanent status will serve a trial service period of six (6) months. This period is to allow the University the opportunity to observe and assess the employee's work and to train and aid the employee in adjusting to the position in order to determine if the employee will be granted permanent status in the position. Employees will be provided a position description and performance expectations for the new position.

25.2.2 The University will extend the employee's trial service period on a day-for-day basis for any day(s) that the employee is on sick leave, leave without pay or shared leave, except for leave taken for military service.

25.2.3 Employees will be given reasonable written notification, when the University believes they are in danger of failing trial service for performance related issues. The notice will specify performance goals that will assist the employee in achieving a successful conclusion to the trial service period. The University may extend trial service up to thirty (30) days in order to more adequately

evaluate an employee who is in danger of failing trial service. Specific reasons for the extension will be provided to the employee in writing. Prior to reversion the University will provide written notice to an Employee that they have not successfully completed his/her trial service period. That notice shall include an opportunity to revert to a bargaining unit position that is:

- (a) Vacant or staffed by a probationary employee and within a job classification in which the trial service employee previously held permanent status; or
- (b) Vacant, at or below the trial service employee's previous salary range, and in the same classification series as the position in which the trial service employee previously held permanent status.
- (c) In either case, the employee being reverted must have the skills and abilities required for the vacant position.
- (d) If no reversion options are available the Employee may request to be placed on the appropriate layoff list for bargaining unit positions in job classifications in which he or she had previously attained permanent status.

25.2.4 Employees involuntarily reverted from trial service will have the right to grieve their reversion according to the standards and procedures set forth in this Article. The grievance will be limited to Steps One and Step Two of the grievance procedure. However, the Appointing Authority will consult with the Labor Relations Officer prior to issuing a formal determination of the grievance.

25.3 Permanent Status. An employee will attain permanent status in a job classification upon his or her successful completion of a probationary or trial service period.

ARTICLE 26 – SENIORITY

- 26.1 Seniority. An Employee’s seniority will be the total length of unbroken service, measured from the last period of unbroken service in a civil service position, adjusted as provided in Section 26.2.
- 26.2 Adjustment of Seniority Date. Approved unpaid leave shall not result in a break in service, but will result in adjustment of an employee’s seniority date on a day-for-day basis for each day the employee spends on unpaid leave, except as follows:
- 26.2.1 Cyclic employees will not have their seniority dates adjusted because of their regularly scheduled period(s) of unpaid leave.
- 26.2.2 Employees who are receiving time loss benefits through workers’ compensation, and who are not augmenting those time loss benefits through use of other paid leave, will not have their seniority date adjusted unless their time in such status exceeds six (6) months.
- 26.2.3 Employees will maintain their seniority date during a period of unpaid military leave as required by applicable law.
- 26.3 Losing Seniority. Employees who have established seniority will lose their seniority rights in the event of the following occurrences: discharge for cause; resignation amounting to a complete separation from employment with the University; failure to reasonably comply with the layoff-recall requirements of this Agreement.
- 26.4 Seniority Ties. Ties in seniority will be broken by measuring the employee’s last continuous time within their classification. If the tie remains, seniority will be determined by measuring the employee’s last continuous time at the University. If the tie remains, seniority will be determined by measuring the employee’s total accumulated time with the state. If the tie remains, seniority will be determined by lot.
- 26.5 For Bargaining Unit 16 Only: Seniority Personnel Preferences. The term “seniority” as used in this subsection shall mean an employee’s rank in terms of length of service in the bargaining unit with respect to other members of the bargaining unit. The employee with the earliest seniority date shall have preferential rights regarding the following personnel actions: shift selection requests, scheduling annual leave, and overtime offers. These rights shall, however, only be applicable within individual departments.
- 26.6 Layoff Seniority Rights. Time spent in layoff status will not be considered a break in service if the employee is recalled to work from a layoff list. Upon recall from a layoff list, an employee’s seniority date will be adjusted by the period of time the employee spent in layoff status. Employees on layoff status must provide the University Human Resource Services department with their current contact information, including mailing address. A copy of each position opening notice (job posting) will be mailed to each bargaining unit member in layoff status. In lieu of mailing the information may be transmitted via electronic mail.

ARTICLE 27 – LAYOFF

- 27.1 Layoff. The University shall determine the basis for, the extent of, and the effective date(s) of layoffs in accordance with the provisions of this Article. A reduction of regularly scheduled hours for a permanent status employee of a position of anything greater than two-tenths (0.2) FTE will be considered a layoff and will permit an employee to exercise layoff rights.
- 27.2 Layoff Notice. A permanent status employee shall receive at least thirty (30) days written notice of layoff, including no less than five (5) working days in which to select placement on layoff list(s) and/or an option in lieu of layoff.
- 27.3 The least senior permanent employee in the classification identified for layoff shall be the first laid off, provided the other employees in the classification possess the necessary knowledge, skills, and abilities to accomplish the essential functions of the remaining work.
- 27.4 Only employees represented by the Union are covered by the provisions of this Article. All other University employees are specifically precluded from bumping or reverting into covered positions.
- 27.5 For Bargaining Unit 16 Only: the least senior permanent employee in the bargaining unit identified for layoff shall be the first laid off, provided the other employees in the bargaining unit possess the necessary knowledge, skills, and abilities to accomplish the essential functions of the remaining work.
- 27.6 Layoff Options. Regular and cyclic employees who have completed their probationary period and who are designated for layoff shall
- 27.6.1 Be given the option to move to an available comparable position in the employee's current classification.
 - 27.6.2 If the employee has no option to a position in their current classification, they shall be given the option to take an available position in a lower classification in the occupational category/class series in which the employee has held permanent status, in descending salary range order. The Employee does not have to have held permanent status in the lower classification.
 - 27.6.3 If continued employment is not available, the employee's name shall be placed on the University layoff list in accordance with Section 27.7.
- 27.7 Available Positions. A position is considered available if it is within the bargaining unit, and is vacant or held by a less senior employee. The employee must be able to meet the minimum qualifications of the position and possess the necessary knowledge, skills, and abilities to accomplish the essential functions of the work with minimal refresher training.
- 27.8 Layoff List. The University shall maintain an internal layoff list for employees who have been laid off. Employees shall be given layoff list rights to classifications in which they

have held permanent status, and all lower classifications in the occupational category/class series that are within the bargaining unit.

27.9 An employee shall have his or her name removed from the internal layoff list for any of the following: accepting an offered position, refusing to accept an offered position as identified above, failing to respond within seven (7) days to an offer sent to the last known address of the employee; or two (2) years following the effective date that the employee was laid off.

27.10 Reinstatement of Benefits Following Layoff. If an employee accepts appointment into a position from the layoff list, the Employee will be placed at the salary equal to the employee's base salary at time of layoff, not to exceed the salary range maximum. An employee appointed from a layoff list shall be credited with the sick leave balance accrued at time of layoff. An employee appointed from a layoff list shall be reinstated with the seniority and unbroken service the employee had at time of layoff.

ARTICLE 28 – RESIGNATION AND PRESUMPTION OF RESIGNATION

- 28.1 Notice of Resignation. An employee may resign from service and should present, at least fourteen (14) days in advance of the effective date, his/her resignation verbally or in writing.

An employee may request to withdraw a resignation once submitted, by providing a written request of the withdrawal to his/her Appointing Authority for consideration within seventy-two (72) hours after the resignation was submitted, including the reason for such request. The response from the Appointing Authority will include the reasons for the acceptance or denial of the request for withdrawal of resignation. Such requests will not be denied absent a non-arbitrary business reason as determined by the University.

This option may be exercised only once per employee. Nothing in this Article limits a supervisor's ability to address employee concerns, training, performance or behavior issues.

Resignation is a serious action and employees contemplating resignation are encouraged to contact their Union representative prior to submitting their letter of resignation.

- 28.2 Presumption of Resignation. An employee who is absent without authorized leave or contact for more than three (3) consecutive workdays will be presumed to have abandoned his/her position. The employee will be notified in writing of the presumption of resignation. The written notice will advise the employee that he/she will have seven (7) days to petition the Appointing Authority in writing for reinstatement upon proof that the absence was involuntary or unavoidable. Nothing in this Article limits a supervisor's ability to address employee concerns, training needs, performance or behavioral issues.

ARTICLE 29 – PERFORMANCE EVALUATIONS

- 29.1 Overview. Employee work performance will be evaluated during probationary and trial service periods and annually thereafter. Performance evaluations will fairly and accurately reflect actual job performance. Immediate supervisors will meet with employees at the start of their review period to discuss performance expectations. Employees will receive written copies of their performance expectations as well as written notification of any modifications made during the review period.
- 29.2 Probationary Period Progress Evaluation. Probationary employees shall receive an informal performance evaluation to discuss the employee's progress in the job during the probationary period.
- 29.3 Evaluation Form. As part of the performance evaluation process, employees will be provided with a written performance evaluation on a standard form selected by the University, which will include a signature line for the employee to acknowledge receipt of the evaluation and a space to record the employee's comments regarding the evaluation. The completed performance evaluation form, including the employee's comments, will be maintained in the employee's personnel file. A copy of the evaluation will be given to the employee.
- 29.4 Performance Evaluations. The evaluation is intended to convey the supervisor's opinion of the employee's performance in relation to the job standards and expectations for the employee's position, including Quality of Work, Quantity of Work, Job Knowledge, Working Relationships, and Work Related Optional Factor(s). Such factors may include but are not limited to: initiative, follow-through, effectiveness, professionalism, attitude and judgment. Performance evaluations are not subject to the grievance procedure in Article 32, except to the extent that the Employee believes there are irregularities in the use of the approved performance evaluation form and/or procedures described in this Article.
- 29.5 Unsatisfactory Level of Performance. All performance evaluations reflecting an unsatisfactory level of performance in one or more categories shall state specific reasons for the unsatisfactory evaluation, and action necessary by the employee to improve the unsatisfactory performance, including any recommended training. The employee's performance in the unsatisfactory category shall be periodically reviewed in a meeting with the employee and the immediate and/or other reporting line supervisor and a summary of the discussion will be maintained in the supervisor's working file until the subsequent regular evaluation has been completed.
- 29.6 Performance Issues. Performance issues should be brought to the attention of the employee in a timely manner in order to give the employee the opportunity to address the concern with the supervisor.

ARTICLE 30 – PERSONNEL FILES

- 30.1 Official Personnel File. The University shall maintain only one (1) official personnel file for each employee. The Human Resources Services office shall maintain the official personnel file. This shall not preclude the maintenance of all lawful payroll, benefits, medical and computer records by the University or the supervisor's working file.
- 30.2 Employee Right to Review. Each employee shall have the right to review the entire contents of his/her personnel file. Such review shall be in the presence of a Human Resources Services representative during business hours. During the review, an official or representative of the Union may be present. The employee may request a copy of any material in the file. Employees may not alter any documents in their personnel file. With employee and/or such authorization as is required by law, a Union representative may review an employee's file.
- 30.3 Copies of Personnel File Material. Employees shall be provided a copy of all material relating to discipline or performance that is placed in their personnel file, except employee-initiated material.
- 30.4 Written Rebuttals. An employee may, at any time, submit for inclusion in the personnel file, a written rebuttal or comment regarding performance related materials, including disciplinary matters, placed in his/her file.
- 30.5 Removal of Material. An employee may request that the Appointing Authority remove material that he/she believes to be false, frivolous, irrelevant, or to have been improperly included in the personnel file. All adverse material or information related to alleged misconduct that is determined to be false, and all such information in situations where the employee has been fully exonerated of wrong doing, shall be promptly removed from the personnel file.
- Information may be retained if the employee requests that the information is kept in their file; or the information is related to pending legal action or legal actions may reasonably be expected to result.
- 30.6 Public Disclosure. When documents contained in an Employee's official personnel file are subject to a public disclosure request under RCW 42.56, the University shall notify the employee of the request at least seven (7) days in advance of the intended release date in advance of the release date. On the employee's request the University will provide a copy of the public disclosure request.
- 30.7 Supervisor Working Files. Supervisors may keep working files regarding employees. Material in a working file will not be retained in the supervisory file beyond the employee's next scheduled or required performance evaluation.
- 30.8 Medical Information Files. Any health and medical information which is obtained by the University must be maintained in a separate, confidential file. Information included in this file will be maintained, accessed and used only in the parameters of University business.

- 30.9 Upon request, the Union or the affected employee will be provided with copies of documents contained in the supervisor working file.
- 30.10 The University may charge a reasonable fee for copying any materials beyond the first copy.

ARTICLE 31 – CORRECTIVE AND DISCIPLINARY ACTION

- 31.1 The University shall tailor corrective or disciplinary actions to respond to the nature and severity of the offense, as well as the employee's prior work record. The University will not be precluded from discharging an employee or administering other substantial forms of discipline despite the absence of any prior disciplinary record when warranted by the nature and/or severity of the offense. When taking corrective or disciplinary action, the University will make a reasonable effort to protect the privacy of the employee.
- 31.2 Corrective Action. Possible corrective actions may include, but are not limited to: an informal verbal counseling, a verbal reprimand, a counseling memo, performance improvement plan, or a letter of reprimand.
- 31.3 Disciplinary Action. Possible disciplinary actions may include, but are not limited to: suspension, reduction in pay, demotion, or dismissal.
- 31.4 Cause for Discipline. All disciplinary actions, including dismissal or involuntary separation for any reason other than layoff and normal end of appointment, for employees who have successfully completed their probation period, shall be for just cause.
- 31.5 Representational. The unavailability of a Union Representative will not be cause for delaying the investigatory or pre-disciplinary meeting beyond a reasonable period, unless mutually agreed to by the University and the Union. If the requested Union Representative is not reasonably available, the employee may select another Union Representative. Employees seeking representation are responsible for contacting their representative.
- 31.6 Investigations. The University has the authority to conduct investigations.
- 31.6.1 Representation. If the University determines that an investigation is necessary, the effected employee shall be informed that he or she has the right to Union representation. Upon request, the employee shall be permitted a reasonable period of time to arrange for participation of a Union Representative (including the Union's professional staff), as is appropriate and timely to the situation. The role of the Union Representative is to provide assistance and counsel to the employee during an investigatory interview, rather than serve as an adversary, nor can they bargain over the purpose of the interview. The exercise of rights in this Article must not interfere with the University's right to conduct the investigation.
- 31.6.2 Duty to Cooperate. Employees have an obligation to cooperate with investigations conducted by the University.
- 31.6.3 Meetings. Investigatory interviews, and other meetings related to disciplinary action in which the employee is required to attend, shall be conducted during an employee's regularly scheduled work time unless the circumstances otherwise require. Employees will be in paid status for investigatory interviews or other meetings related to their disciplinary actions which are convened by the University.

- 31.6.4 Alternate Assignment. The University may, at its discretion, place employees in an alternate assignment or on home assignment during disciplinary investigations. Employees on home assignments must remain available during their normal hours of work. Alternate and home assignments are not discipline, and employees will not lose pay or benefits for a home assignment. Alternate and home assignments are not subject to the grievance procedure.
- 31.7 Pre-Disciplinary Procedure. Prior to imposing disciplinary actions, the following pre-disciplinary procedure shall apply:
- 31.7.1 Pre-Disciplinary Action(s). The University shall inform the employee and the Union of the pre-disciplinary meeting in writing. The notice shall contain the reasons for the contemplated discipline and copies of available documentation. The notice will also inform the employee of the right to Union representation at a Pre-Disciplinary Meeting. The written notice will be furnished directly to the employee during the employee's working hours or, if this is not possible, sent by certified mail to the employee's last known address.
- 31.7.2 Pre-Disciplinary Meeting. The University will schedule a Pre-Disciplinary Meeting to permit the employee to respond to charges either at a meeting or in writing, if the employee prefers.
- 31.7.3 Request for Information. Upon completion of an investigation and upon request, an employee or the Union will be provided with copies of any documents or witness statements upon which the University is relying for the proposed disciplinary action in accordance with appropriate state rules. Unless substantiated, no disciplinary action will be implemented based solely on anonymous charges or complaints.
- 31.7.4 Disciplinary Decision. The University shall inform the employee and the Union of its decision in writing. The written notice will include the specific cause for any discipline issued, and will inform the employee of his or her right to grieve. If the disciplinary decision involves a permanent reduction in pay or dismissal, the notice will set an effective date for action of at least fourteen (14) days from the date the notice was delivered to the employee. The University may dismiss an employee effective immediately with pay in lieu of the fourteen (14) days' notice period. The University may dismiss an employee effective immediately, without pay, in lieu of the fourteen (14) days' notice period if the Appointing Authority determines that continued employment jeopardizes the good of the department. The notification for the dismissal is required and shall state the reason(s) for the dismissal and, in addition, the necessity for the immediacy of the action.
- 31.8 Grievance of Corrective and Disciplinary Actions. Oral Corrective Actions may not be grieved. Written Corrective Actions may be grieved through Step Two of the grievance procedure only. Letters of Reprimand are not subject to the full grievance process through Arbitration, unless an Employee receives three (3) Letters of Reprimand from the same

supervisor within a twelve (12) month period; then the third and all subsequent Letter of Reprimands from the same supervisor will be subject to the full grievance procedure, including Arbitration, during the twelve (12) month period following the effective date of the third Letter of Reprimand. Permanent employees may grieve disciplinary actions, including terminations due to job abandonment, through the grievance procedure. The timeline for filing grievances contained in Article 32 will begin to run on the date the Employee is notified in writing of the Corrective or Disciplinary Action. Disciplinary Actions may be grieved through every step of the grievance procedure beginning at Step Two.

ARTICLE 32 – GRIEVANCE PROCEDURE

- 32.1 The Union and the University encourage problem resolution between employees and management, and are committed to resolving disputes at the earliest opportunity and at the lowest level possible. The procedure set forth in this Article shall be the exclusive means of resolving grievances.
- 32.2 Grievance Defined. A grievance is a dispute between the University and the Union, an employee, or a group of employees as to the interpretation, application or violation of any terms or provisions of this Agreement.
- 32.3 Time Limits. Time limits within the grievance procedure may be waived or extended by the mutual agreement of both parties. If the Union, on behalf of the employee(s), fails to act or respond within the specified time limits or fails to request and be granted an extension of the time limits, the grievance will be considered withdrawn. If the University fails to respond within the specified time limits or fails to request and be granted an extension of the time limits, the grievance shall proceed to the next step of the grievance procedure. For the purposes of this Article, “days” shall mean calendar days, excluding any day observed as a Holiday pursuant to the University’s Holiday schedule.
- 32.4 Informal Discussion. Employees are encouraged to attempt to resolve complaints through informal discussion with their supervisors prior to filing a grievance.
- 32.5 Modification. No newly alleged violations and/or remedies may be added after the initial written grievance is filed, except by written mutual agreement.
- 32.6 Resubmission. If resolved or withdrawn, a grievance cannot be resubmitted on the same issue based on the same facts.
- 32.7 Step One. Regardless of the status of any informal discussions between an employee and his or her supervisor, the Union, on behalf of the aggrieved employee(s), shall submit the grievance in writing to the Labor Relations Officer or designee within thirty (30) days of the events giving rise to the grievance, or the date the employee(s) or the Union knew or could reasonably have been expected to know of such events. The written statement shall include the name of the aggrieved employee(s), the facts giving rise to the grievance, the section(s) of the Agreement allegedly violated, and the remedy sought. The Department Head or designee shall attempt to meet with the Union and the aggrieved employee to resolve the grievance within fifteen (15) days following the date of the written submittal. The Department Head or designee shall respond to the grievance in writing within fifteen (15) days following the Step One grievance meeting.
- 32.8 Step Two. Should Step One fail to resolve the grievance, the Union shall, within fifteen (15) days after receipt of the Department Head’s or designee’s response, submit the grievance in writing to the Appointing Authority. The parties shall attempt to meet to resolve the grievance within fifteen (15) days following the date of the written submittal. The Appointing Authority shall respond to the grievance in writing within fifteen (15) days following the Step Two grievance meeting.

- 32.9 Step Three: Mediation. Should Step Two fail to resolve the grievance, the parties, upon mutual written agreement, may within fifteen (15) days after receipt of the Appointing Authority response, give written request for mediation to the Public Employment Relations Commission (PERC). If mediation is desired, the Union will submit a copy of the request for mediation to the agency and to the University's representative. If PERC or a party declares impasse, the Union may request arbitration.
- 32.10 Step Four: Arbitration. Within 15 days of 1) receipt of Appointing Authority decision on the grievance; 2) either parties' written notification to the other of an intent to decline mediation; or 3) declaration of impasse in mediation process; whichever is applicable, the Union may request arbitration. A written request for arbitration shall be provided to American Arbitration Association (AAA), or if mutually agreed upon Public Employment Relations Commission (PERC). The written request shall be submitted concurrently to the University's Labor Relations Officer. PERC arbitration, if agreed upon will be in accordance with PERC procedures.
- 32.10.1 The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the AAA, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing. The demand for arbitration will request that a list of seven (7) arbitrators (Washington or Oregon only) be submitted by the AAA, if that agency is selected to process the matter, to the parties, from which an arbitrator shall be selected by mutual agreement or by alternately striking one (1) name from the list until only one (1) name remains. In the case of striking names, the moving party shall be the first to strike a name
- 32.10.2 Challenges to the arbitrability of a grievance shall be resolved in the same proceeding as the arbitration on the merits of the grievance. The arbitrator shall confine himself/herself to the precise issue(s) addressed on the grievance form and submitted for arbitration. The arbitrator shall have no power to determine any other issue(s) not so submitted, nor render a decision that will add to, subtract from, alter, change, or modify the terms of this Agreement, and his or her power shall be limited to interpretation or application of the express terms of this Agreement.
- 32.10.3 The Arbitrator shall issue written decision to the parties. The decision shall be final, conclusive and binding on the University, the Union and the employees.
- 32.10.4 The Arbitrator's award may include back pay to the grievant(s); provided that no such back pay award shall exceed the actual loss to the grievant.
- 32.10.5 Except as directed by an Arbitrator or as noted below, the grievant(s), the grievant's Union Representative(s), and their witness(es) shall not be paid by the University for preparation for, travel to or from, or participation in arbitration hearings, but may use leave for such activities. When an employee is subpoenaed as a witness on behalf of the Union in an arbitration case, the employee may appear without loss of pay during his/her testimony, if he/she

appears during his or her work time; provided the testimony given is relevant and related to his/her job function and involves matters he/she has witnessed. In addition one Union officer may attend the hearing as a Union Representative without loss of pay if the hearing occurs during his/her regularly-scheduled work time.

- 32.10.6 Irrespective of the arbitrator's decision, each party shall pay the compensation and expenses for its own representatives and witnesses, including attorneys' fees. The parties will share equally the expenses and fees of the arbitrator, including the cost of a hearing room, if neither party is able to obtain a room free of charge and the hearing is conducted in a neutral location. If the arbitration hearing is postponed or cancelled by one party, that party shall bear any and all costs of the postponement or cancellation. The costs of any mutually agreed to postponements or cancellations shall be shared equally by the parties.
- 32.10.7 Either party may request the presence of a court reporter or transcriptionist at the arbitration whose expenses shall be borne by the party making the request, unless both parties request a transcript, in which case the expenses of the reporter shall be shared equally.

The University will not contract out work which results in the layoff of bargaining unit employees during the term of this Agreement without following the provisions of RCW 41.06.142. The decision to shift specific bargaining unit work to an outside contractor, and its impact upon bargaining unit employees, must be negotiated with the Union prior to implementation of the procedures set forth in RCW 41.06.142. The University may contract for work that does not result in a layoff under circumstances such as: emergencies, shortage of resources, deadlines, specialty equipment and/or expertise needed, or work that has been historically and customarily contracted. In the case of emergency or mandated conditions that are outside of the University's control requiring immediate implementation, the University will notify the Union as soon as possible, and may implement if needed prior to the completion of negotiations.

Should the General Service Salary Schedule yield a higher overall salary schedule/compensation plan than what is reflected in articles 44.1 and 44.2, the University will follow the State HR General Service Salary Schedule in effect July 1, 2015 through June 30, 2017.

- 44.10 Reallocation
- 44.10.1 Reallocation to a classification with a higher salary range maximum will result in a minimum increase of two steps unless the first step of new range is more than two steps above employee's current salary, in which case employee is placed at first step of the new range. - 44.10.3 Reallocation to a classification with a lower salary range maximum will result in the employee being placed at the step in the new range that is equivalent to the current salary, unless it exceeds the salary maximum, in which case the employee receives the top step of the new range. If the employee chooses to remain in the position with the lower salary range maximum the employee retains the existing appointment status. - 44.12. Post Layoff Salary. If the employee accepts a position at a lower salary range maximum he or she will be paid an amount equal to his/her current salary, provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee's base salary will be set at Step M of the new salary range.
- 44.13 Shift Differential. Employees assigned to a shift in which a majority of time worked falls between 6:00 p.m. and 6:00 a.m. shall be paid an additional sixty-five cents (\$0.65) per hour for the entire shift. An employee assigned to a shift that qualifies for shift differential pay shall receive the same shift differential for authorized periods of paid leave, or when assigned to a different shift for less than a full work week.
- 44.14 Salary Overpayment. In the event an employee receives a salary overpayment, the process outlined in RCW 49.48.200 and RCW 49.48.210 (10) will be used to administer the recovery of wages or any associated challenge.

- 44.16 Economic Feasibility. The parties agree they may re-open negotiations on compensation adjustments dependent upon economic feasibility. Indicators of economic feasibility may include for example, the Director of the Office of Financial Management (OFM) determines implementation of such adjustments is economically feasible and the legislature appropriates funding in accordance with applicable law; if a State initiative or referendum is submitted to the voters and is passed that specifically provides funding for general salary increases for higher education classified employees; or the University provides across the board salary increases to Civil Service staff.
- 44.16.1 If tentative agreement is achieved, the University will submit a request to the OFM for a finding of financial feasibility and, if such a finding is made, for approval and funding by the Governor and Legislature when necessary. Nothing in the Article obligates either party to agree to any proposal.
- 44.17 If 44.1 and 44.2 are not funded and the University provides an a across-the-board compensation adjustment, not specifically referenced in this Agreement to non-represented civil service staff, upon request from the Union, the parties agree to reopen negotiations limited to the scope of the adjustment.

If any term or provision is so held to be invalid or unenforceable, such invalidity or unenforceability shall not invalidate any other term or provision of this Agreement. If any financial provision of this agreement is determined to be unenforceable, through legislative or administrative action (including declarations by the OFM or the Governor that the provisions are not economically feasible), the parties will meet within a reasonable time to negotiate a substitute for the invalidated provision.

ARTICLE 46 – ENTIRE AGREEMENT OR AUTHORITY OF AGREEMENT

- 46.1 This Agreement constitutes the entire agreement between the University and the Union and, except where removed by law, provides for the sole and exclusive wages, hours and working conditions for employees covered under this Agreement. The parties agree that terms and conditions of employment for classified employees which are set forth in WAC 357 as of the date of the execution of this agreement remain in effect, except where they are contradicted by specific provisions of this agreement. In such cases, the terms of this agreement control.
